What is MSI?
• MSI provides an opportunity for students to learn together in small groups led by advanced students.
• The MSI sessions’ focus will be on the homework assignments and examinations with the goal of assisting students to become independent problem solvers, effective learners and to achieve excellence.
• The Learning Assistant will be available to answer questions from the lectures and assigned readings, discuss assigned papers, and to assist students to prepare for quizzes and examinations.

How does MSI work?
• Unless otherwise noted on the MSI website, you may attend any MSI session at any time during the quarter without making a weekly commitment. If weekly commitment sessions are available, instructions regarding sign-up will be available at the LSS front desk or by calling 459-4333.
• MSI sessions are available on a first come, first served basis and are limited to approximately 12 students per group.
• See your Learning Assistant for more details.

In order to compare the course performance data for students who attend MSI and students who do not attend, we will be asking the professor for course records.

When and where?
